5 WAYS HUMAN RESOURCES CAN LEVERAGE MINITAB WORKSPACE

You know how Minitab Workspace can help you perform better in your role, but does your HR team know it can help them too? Do them a favor and share this list of highlights of just a few of the visual tools, process maps, brainstorming diagrams, and forms available in Minitab Workspace that can be incredibly useful in a HR role.

1. **Organizational Chart**	Visually convey your company's internal structure by detailing the roles, responsibilities, and relationships between individuals within the organization.
2. **Onboarding Map**	Display all the elements and timelines for your organization's new hire onboarding journey.
3. **Career Growth Map**	Identify opportunities and set goals for an employee's professional advancement within your organization to encourage more content, manageable, and retainable employees.
4. **Training and Development Map**	Map out processes and best practices to improve training or map out development events required to achieve a performance outcome.
5. **Employee Ratings and Review Matrix**	A Harvey Balls matrix is an easy, unbiased way to rate and rank employees based on defined characteristics.
